# Vassoi

## Trays

In **METACRILATO (PMMA)** con spessore minimo di 4 mm. Le colorazioni standard sono: **bianco, nero e trasparente.**

**Fondo rinforzato** per garantire maggior resistenza all'urto e una corretta circolazione dell'aria nel banco frigo.

**Bordi arrotondati** per una migliore presa e **angoli interni arrotondati** per facilitare una perfetta pulizia.

In **methacrylate (PMMA)** with a minimum thickness of 4 mm.

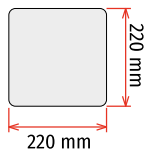

Standard colours are: **white, black and transparent.** **Reinforced bottom:** in order to guarantee more shock resistance and proper air circulation in serve-over counters.

**Round edges** to aid in picking up the tray and **internal round corners** for easy and perfect cleaning.
