Synco è specializzata nel realizzare la comunicazione visiva all'interno dei punti vendita offrendo, su richiesta, ai propri clienti la formula "chiavi in mano".

### CONSULENZA SU VOSTRO PROGETTO

I nostri specialisti vi seguiranno nel realizzare la vostra comunicazione in linea con il vostro capitolato.

### PRODUZIONE INTERNA

L'azienda produce tutti i pannelli di ambientazione indispensabili per informare ed indirizzare la clientela nel punto di vendita.

### SQUADRA DI MONTAGGIO

Synco si occupa dell'installazione in sicurezza di tutta la pannellistica nel punto vendita con una squadra di montaggio di elevata esperienza.

*Synco is fully equipped to manage visual communication within points of sale and malls, providing its customers with turnkey solutions.*

### INTERNAL PRODUCTION

*We expertly print all kinds of promotional and guidance panels, needed to inform and help your customers.*

### CONSULTING AND IMPLEMENTATION OF YOUR PROJECT

*As a rule, panel size and appearance are customer-specific and so are part of a tailored, uniform project involving all visual communication aspects within the P.O.S.*

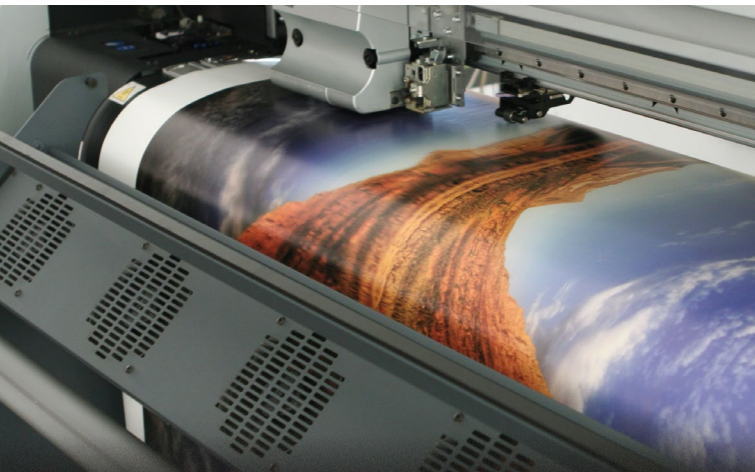

## CONSULENZA, COMPETENZA, COMPETITIVITÀ

*Consultancy, Competence, Competitiveness*

## Comunicazione, ambientazione ed immagine

*Global communication*

### STAMPA SU MATERIALI FLESSIBILI

Stampanti Roll to Roll con intaglio automatico di grande formato ad alta qualità.

### PRINTING ON FLEXIBLE MATERIALS

Roll to Roll printers with automatic cutter for high quality wide format images.

### STAMPA DIRETTA SU MATERIALI RIGIDI

Stampanti piane di grande formato di alta qualità per materiali rigidi e semirigidi. Disponibile anche la stampa con il colore bianco.

### DIRECT PRINTING ON RIGID MATERIALS

Wide format high quality flatbed printers for rigid and semi-rigid materials. White colour print also available.

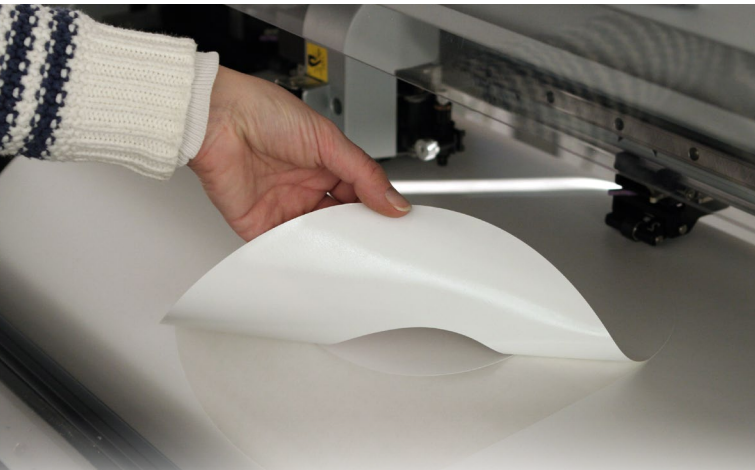

### INTAGLIO ADESIVI

Il plotter, stampando e tagliando contemporaneamente, garantisce la massima precisione e ottimizzazione dei tempi.

### ADHESIVES CUTTING

Adhesive cutting and printing at the same time, allows us to guarantee better production timing and precision.

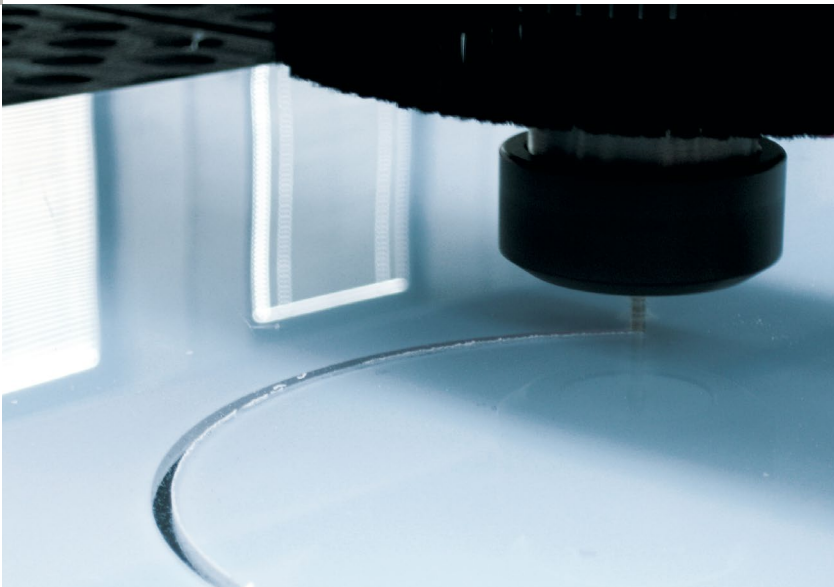

### TAGLIO E SAGOMATURA PANNELLI

Cesioie idrauliche di grande formato e frese a controllo numerico ci permettono di intagliare le varie forme richieste sui vari tipi di materiali, dalla plastica all'alluminio.

### MILLING AND SHAPING PANELS

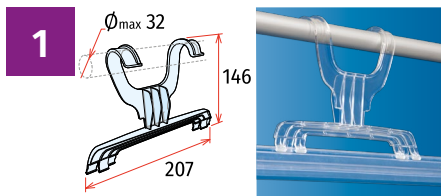

Wide format hydraulic cutting machines and CNC milling machines allow us to cut the different shapes required of various types of material, from plastic to aluminium.

# Sistemi di sospensione

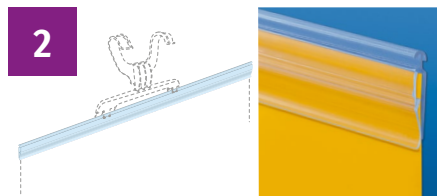

## Systems for hanging
